	1.1	Here is a subsection		
		1.1.1	Here is a subsubsection	2

### 1 This is a section

Here is a list:

- Item 1
- Item 2

#### 1.1 Here is a subsection

Proof.

- (a) Numbered item 1
- (b) Numbered item 2

Use \mathrm to make normal text in a math block, such as the d in the integral below:

$$\int_{-7}^{\pi} f(x) \, \mathrm{d}x \tag{1}$$

#### 1.1.1 Here is a subsubsection

You can align equations as follows:

$$x = y \tag{1}$$

$$x^2 = y^2 \tag{2}$$

You can also remove the equation numbers by adding an asterisk:

$$x = \frac{1}{2}$$
$$x^2 = \left(\frac{1}{2}\right)^2$$

Lemma 1. This is a lemma

$$\sum_{n=1}^{\infty}$$
